}
```

React

Next.js

MongoDb

TypeScript

# #Education

// 2015
APIIT,SRI LANKA
Bachelor of Engineering (Hons)
Software Engineer ,Offered by
Staffordshire University, UK

// 2007
G.C.E Ordinary Level Examination
Mathematics(B), Science(C),
Sinhala(B), English(A),
Ro. Catholic(B), History(B), Health
Science(A), Art(B)

# #PROJECTS UNDERTAKEN

```
{
    Project: Final Year Project – Face recognition
    software:
    The system was implemented using Visual
    Studio C#, other libraries and API's that support
    windows
    operating system. This system contains,
    1. Face detection
    2. Face extraction
    3. Save extracted faces in a database
    4. Match and recognize with existing faces in the
    database

},
```

# #PERSONAL SKILLS

```
{
    Adaptable for the situation
    • People handling
    • Creativity
    • Team Work
    • Innovative
    • Hardworking
    • Leadership and Management
    • Ability to take relevent
    decisions depend on the
    situation
}
```

# #Strength

*Front-End Development: Expertise in
